ALL DEPARTMENTS INSPECTION IVR CODES

IVR - INTERACTIVE VOICE RESPONSE SYSTEM

IVR PHONE NUMBER 928-777-1176

In order to use the city of Prescott's IVR System you will need to have the following information which is located on the front of the Building Permit:

1. Building Permit Number.
2. Building Site Address.
3. The IVR Code for the inspection you are requesting.

You may schedule an inspection up to four business days in advance.

ALL CALLS MUST BE COMPLETED PRIOR TO MIDNIGHT

To schedule an inspection:

1. Dial 928-777-1176.
2. Follow the prompts.

NOTE:

You will be prompted throughout the call to enter your permit number, the inspection code(s), and the date of the required inspection. Please listen carefully to confirm that the correct address was given and that the correct inspection was requested. When finished with scheduling @ inspections you will be given a confirmation number. Please write this number down.

IF YOU DO NOT GET A CONFIRMATION NUMBER THE INSPECTION WAS NOT SCHEDULED.

If you are unable to schedule an inspection through the IVR System please call the building division at 928-777-1356.

To make inquiries about your inspection you may call 928-777-1387.

Our inspectors are diligently performing their duties in the field most of the day, therefore **THIS IS PRIMARILY A MESSAGE LINE.**

If you would like to find out if your inspection will be performed in the morning or afternoon hours, or to see if a specific time of inspection can be arranged with your inspector, please call before 8:00 am on the same day of the inspection.

In your message please provide your name, phone number, permit number, building address and your inquiry message. This information will be forwarded to the inspector assigned to your inspection and, should you request it in your message, you will receive a call back as soon as possible.
