

# Gail Gardner Way Pavement Repairs Project

SPRING 2019

The City of Prescott is set to begin a pavement repairs project the week of June 10, 2019. The project consists of asphalt patching and chip sealing operations along Gail Gardner Way, from Iron Springs Road to Fair Street. Asphalt patching work along Gail Gardner Way will occur Monday through Friday.

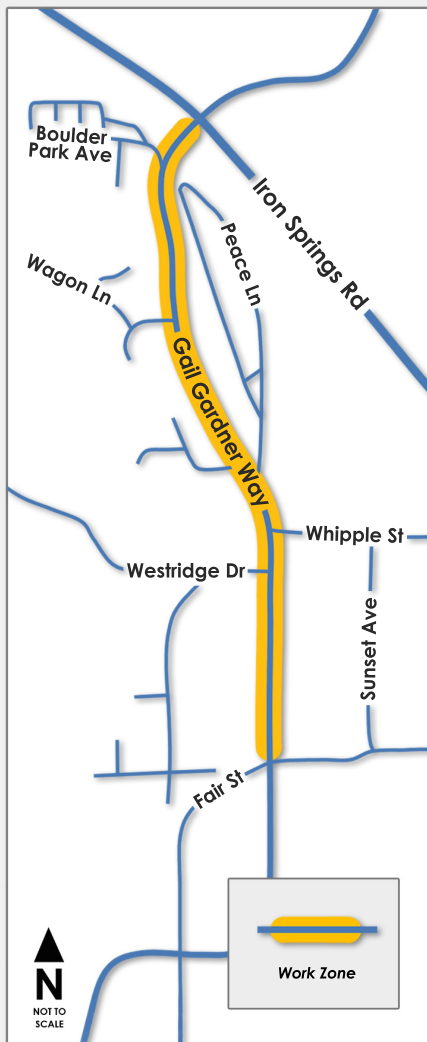

The City is dedicated to keeping the traveling public, businesses, and residents informed of potential construction impacts throughout the duration of the project.

---

Chip sealing operations will take place on Sunday, June 16, 2019. To avoid any possibility of getting the chip seal material on your car or driveway, please do not enter or exit your driveway while the chip seal application process is underway.

**For questions and project information, call the Project Hotline at (928) 237-3114**

Please be aware of reduced speeds, rough roads, flagging operations, and turning and lane restrictions throughout the work zone. Motorists are asked to please follow the marked signage, allow for extra time to get through the area, and use an alternate route if possible.
