III. REGULAR AGENDA

The meeting was called to order at 8:00am by Chairman Burford

1. Approve minutes from the May 10, 2019 meeting.

A motion to approve the minutes was made by Commissioner Edelbrock. The motion was seconded by Commissioner McCarver and approved unanimously.

2. HP19-007: 144 S Montezuma St. APN: 109-02-015. Historic Preservation District #1, Courthouse Plaza. Request for a new sign for a new business, 1881 Spirits.

Cat Moody presented on the project which is currently Whiskey Row Pub. It is not on the National Historic Register. She talked about the snow storm of 1968 and roof collapse. Current façade is a complete reconstruction.

The new sign is for 1881 Spirits. This sign is similar to existing signage. It will have back lighting behind it so you can see it at night. Prescott does have this type of signage already in the historic district.

Commissioners and staff discussed potential future signage space and Commission's past position on the valances and keeping signage minimal.

Applicant Bryan Wiewick spoke to the Commission about the awning signage and stated it will be all-black. The sign will get installed after permits are issued and the goal is to have it updated before the 4th of July.

Chair Burford expressed support for new sign.

Commissioner Edelbrock made a motion to approve HP19-007, Commissioner Sprain seconded the motion and it was approved unanimously.
