C. Approval of September 17th meeting minutes

Ridley motion. Paul 2nd. Passes unanimously.

D. Update on service project plans

Ridley would be interested in working with Tessa on service project plans. There is an idea to host a community service fair, especially focused on getting teens involved in service. This could be done at the Armory. The group would have to reach out to non-profits to fill space. Think about timing. Think about January to host the event. Talk to Stepping Stones, who hosted something similar. Cassidy is on the Launch Pad board as well and they would be interested. Non-profits with thrift stores probably need volunteers. Churches can be included as well. For profits, law enforcement agencies, local political party organizations, schools, and others may have opportunities.

Start advertising in November to schools, the city will advertise as well. Tentative date set for January 25, 2020. The sub group of Tessa, Ridley, and Billy will work on plans. The backup will be January 11th. The group will ask Sierra if she can work on a poster/marketing material.

E. Discussion on the upcoming plans of the board

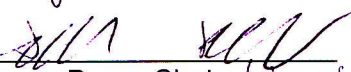

Move focus to being volunteer oriented. The group asked the guests from the schools if there was anything the Board could help with. They will discuss ideas with their student councils and other leadership groups to coordinate with this Board.

F. Adjournment

There being no further business to discuss, the meeting was adjourned at 4:35pm.
