

UTILITY PROJECT

Zone 41 (Mingus) Pump Station, Tank, and Pipeline

SEPTEMBER 6, 2022

The engineering services contract was awarded to Brown and Caldwell. Design and utility investigation is currently underway. The engineering firm recently completed the plans to the 100% level. Those plans and bid documents were reviewed, and corrective comments were returned to the consultant. The project is scheduled for construction in fiscal year 2024.
