

UTILITY PROJECT

Zone 41 (Mingus) Pump Station, Tank, and Pipeline

MAY 4, 2022

The engineering services contract was awarded to Brown and Caldwell. Design and utility investigation is currently underway. The engineering firm recently completed the plans to the 100% level. Those plans and bid documents were reviewed, and corrective comments were returned to the consultant. The engineering firm is working with APS for the plan to provide electrical service to the new pump station.
