

UTILITY PROJECT

Juniper and Karen Drives Water Main Replacement

FEBRUARY 7, 2023

This project will replace aged and undersized water mains in the Juniper Vista Subdivision. This will include water improvements on Juniper and Karen Drives, and a new 12" water main extension on Senator Highway from Nathan Lane to Juniper Vista. Storm drain improvements are included with this design on Senator Highway as well as roadway improvements within the Juniper Vista Subdivision.

Asphalt Paving and Supply, Inc. was awarded the construction contract for the project by City Council on 9/13/2022.

A preconstruction meeting is tentatively scheduled for the week of February 13th. Construction is anticipated to start March 1st.
