

UTILITY PROJECT

Juniper and Karen Drives Water Main Replacement

September 6, 2022

The project will replace undersized water mains in the Juniper Vista Subdivision. This will include water improvements on Juniper Drive, Karen Drive, and a water main extension on Senator Highway from Nathan Lane to Juniper Vista. Storm drain improvements are included with this design on Senator Highway, and roadway improvements within the Juniper Vista Subdivision.

Bids were opened on July 28th, and are being reviewed by City staff. Pending City Council approval, construction is anticipated to start mid-spring 2023.
