

# Juniper Drive and Karen Drive Water Main Replacement Project

## COMMUNITY MEETING INVITATION

The City of Prescott and their design engineer, Shephard-Wesnitzer, Inc., invite you to attend a community meeting for design of the Juniper Drive and Karen Drive Water Main Replacement Project. The meeting will be held on Thursday, July 22, from 4:30 p.m. to 6 p.m. in the Founders Suite at the Prescott Public Library. The meeting will provide an opportunity for community members to view the design plans, ask questions, and meet the project team. All public input is welcome and will be considered throughout the remainder of the design phase.

The project is being designed to remove and replace old, undersized water mains along South Senator Highway, Juniper Drive, Karen Drive, Terrace Drive, Sky Terrace Drive, and Scenic Heights Drive, as highlighted in the map below. The improved water main will increase water system reliability and upgrade the existing utility infrastructure for the local community.

## COMMUNITY MEETING

Prescott Public Library  
Founders Suite

215 E Goodwin Street

Thursday, July 22  
4:30 p.m. to 6 p.m.
