

AIRPORT PROJECT

Prescott Airport New Terminal Project

MARCH 1, 2021

The design and post construction management for this project has been awarded to Dibble Engineering. The City has awarded a Construction Management at Risk (CMAR) contract, including the construction contract to Willmeng-Fann Contracting, Joint Venture. Construction is anticipated to be complete on March 30th, with the new terminal opening. Underground utility work has been completed and the contractor is working on the new terminal building.
