

UTILITY PROJECT

Slaughterhouse Gulch Sewer Main Crossing Replacement

SEPTEMBER 6, 2022

The Slaughterhouse Gulch Sewer Main Crossing Replacement design project has been awarded to Rick Engineering. The project includes replacing the old sewer crossing of the wash within the Yavapai Prescott Indian Tribe (YPIT) reservation.

Rick Engineering has completed the updated plans which are in review by City and YPIT staff. The project is currently out to bid for construction with an anticipated bid opening on September 1, 2022. Construction is expected to start this fall.
