

UTILITY PROJECT

Slaughterhouse Gulch Sewer Main Crossing Replacement

MAY 4, 2022

The Slaughterhouse Gulch Sewer Main Crossing Replacement design project has been awarded to Rick Engineering. The project includes replacing the old sewer crossing of the wash within the Yavapai Prescott Indian Tribe (YPIT) reservation.

Rick Engineering will be working with updated plans to be reviewed by City and YPIT staff, prior to bidding the project. The project start of construction is anticipated for this summer.
