

UTILITY PROJECT

Zone 52 Water Main Extension Project

MAY 4, 2022

The project will connect the existing 12-inch Zone 52 water main at the southeast corner of Pioneer Parkway and Williamson Valley Road to the existing water mains at the Longview Booster Pump Station. The design of the project has been awarded to the Stanley Group. All easements have been acquired from State Land Department. The consultant is working on the 30% plan submittal.
