Contract Amendment No. Three (3)
Development of a Big Chino Sub-basin Groundwater Flow Model

Contractor: Golder Associates, Inc
Contract No: 2017-246
CIP: 15-045
Account No(s): 7126010-8418
Date: June 22, 2021

Purpose of Amendment:

To increase the contract amount by \$241,959.00, with a new do not exceed amount of \$1,668,719.00, and to extend the contract term to July 15, 2022, per Council approval on June 22, 2021.

City of Prescott and Golder Associates Inc. (Contracted Parties) agree the project will be completed within the cost and timeframe specified in Golder’s proposed Scope of Work for Contract Amendment Request No. 2 dated May 24, 2021 attached hereto, where model calibration criteria, to match historical and recent data are met, resulting in a functional groundwater flow model (see original Scope of Work, Section 2.5.4, Subtask 5.4 Numerical Model Calibration dated February, 2017 and the attached Scope of Work for agreed to criteria). To the extent Golder’s assumptions throughout the attached Scope of Work are upheld, the Contracted Parties agree that no additional increase in the contract amount will be accepted or change in schedule is expected. The Contracted Parties agree that completion of this project within the agreed to timeframe is material to the City of Prescott. Additional time may be approved if there are delays caused by events beyond Golder’s control or if the modeling criteria are not met by Golder due to the action or inaction of others requiring further refinement to achieve model calibration. All other terms and conditions in the original Contract between the Contracted Parties (City of Prescott Contract No. 2017-246) and Amendment No. 1, that are not otherwise modified by this Amendment No. 3 shall remain in full force and effect.

The following changes shall be made to the Contract Documents:
