# ROADWAY PROJECT

## FY22 Pavement Reconstruction Project

*JANUARY 4, 2022*

The project generally consisted of pulverizing and blending in place the existing asphalt pavement surface, base preparation of recycled base material, and placement of new asphalt concrete atop. The roadways included in the project were Prescott Heights Drive, Campbell Avenue, Flora Street and Black Drive.

The work included pavement repairs, the adjustment of utility covers to finish grade, some minor drainage repairs and the restoration of disturbed traffic striping.

The project is now complete.
