F. Discuss the Teen Task Force Projects

There is a Code Compliance Neighborhood Cleanup on May 15th from 9am-1pm. All are invited to participate as volunteers to walk the roads and alleys to pick up trash.

ADOPT a Highway – it consists of adopting a 2-mile stretch of highway and cleaning it up for a 2-year period. The Teen Task Force will discuss this further.

SNAP – the Teen Task Force could help the program put on activities that are already planned. The Youth Advisory Board may start to get an idea of what it's like to participate and then come with feedback to the Teen Task Force.

Fashion Show – there is a volunteer to do the hair at no-charge for the participants. Local shops could provide the clothes for the models to wear. This could be done near the beginning of the school year and could promote local businesses.

The Teen Task Force meetings could be held at 5pm on Tuesdays after the Youth Advisory Board. The Board generally agreed that this is a good time to meet.
