

UTILITY PROJECT

Mullen Way Utilities Extension

MAY 1, 2022

Water and Wastewater infrastructure will be extended to Mullen Way in the Timber Ridge West Subdivision, south of Copper Basin Road. The existing water system will be extended south from Copper Basin Road, with the existing sanitary sewer system extended from the Sheriff's Posse Trail/Copper Basin Road intersection westerly to Mullen Way.

Kimley Horn and Associates, Inc. has been awarded the engineering design contract. The engineer is working on 60% design plans.

A Public Meeting will be conducted with the affected residents.
