ROADWAY PROJECT

Public Safety Drill Grounds Improvements Phase 1

FEBRUARY 7, 2023

The engineering contract was awarded to Civiltec Engineering. Survey, soils investigations, and utility investigations are complete. The findings have been incorporated into the Master Plan and Report, which is also complete. A task order was issued to the engineering firm to generate the Phase 1 shovel-ready construction plans.

The construction plans are complete and are ready for bid, pending budget approval.
