## Public Safety Drill Grounds Improvements Phase 1

***SEPTEMBER 6, 2022***

The engineering contract was awarded to Civiltec Engineering. Survey, soils investigations, and utility investigations are complete. The findings have been incorporated into the Master Plan and Report, which is also complete. A task order has been issued to the engineering firm to generate the Phase 1 shovel-ready construction plans.

The construction plans are complete and are ready for bid, pending budget approval.
