

RANCH AT PRESCOTT PAVEMENT AND DRAINAGE IMPROVEMENTS

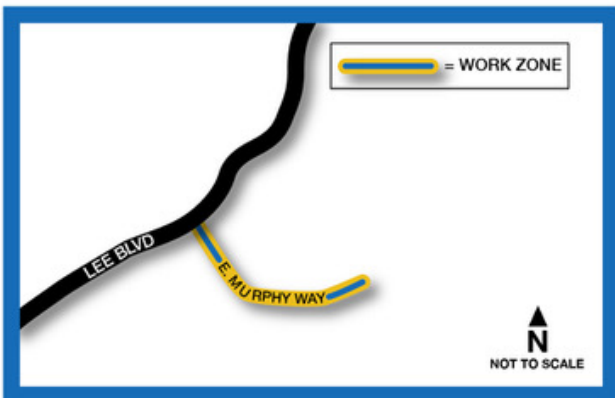

Work is scheduled to occur with the following activities:

- Paving work is complete
- Drainage work will occur on East Murphy Way
- Concrete work is scheduled for Rainbow Ridge & Windspirit
- Crews will be working on final punch list items

Construction personnel will work with residents to ensure driveway access during work hours. **Work hours are Monday through Saturday from 7 a.m. to 6 p.m.**

The City of Prescott advises drivers, bicyclists and residents to slow down through work zones and use extra caution around construction personnel and equipment, while work is underway.

Once the project is complete, the improvements will enhance drivability and drainage capacities in The Ranch at Prescott.

Work is expected to be complete by June 30, 2022.
