## Fire Restrictions

---

### Stage I Fire Restrictions:

- **NO** residential burn permits will be issued.
- Use of model rockets is **PROHIBITED**.
- Use of **fireworks** and other **pyrotechnic displays** are **PROHIBITED** except upon approval of a pyrotechnics permit.
- **NO** smoking outside of vehicles, outside of residential yards, or outside of designated smoking areas.
- **NO** outdoor use of firearms.
- Cooking, warming, or camp fires (ash or ember producing) **ARE ALLOWED** at single and multi-family residential properties and Town parks (where approved) but **MUST BE** attended at all times.

### Stage II Fire Restrictions:

- **NO** burn permits will be issued-residential or commercial.
- Use of model rockets is **PROHIBITED**.
- Use of **fireworks** and other **pyrotechnic displays** are **PROHIBITED** except upon approval of a pyrotechnics permit.
- **NO** smoking outside of vehicles, outside of residential yards, or outside of designated smoking areas.
- **NO** outdoor use of firearms
- Welding, cutting and grinding is **PROHIBITED**; permission may be granted under special circumstances and repair situations as approved by the Fire Marshal. **\*\* (See Note)**
- Chain saws are allowed with a spark arrestor, water or fire extinguisher and a fire watch.
- Warming fires, camp fires, as well as charcoal and wood burning barbecues (ember and ash producing) are **PROHIBITED** in all locations. This also **prohibits** the use of other devices that produce open flame such as tiki lamps.
- The use of propane, natural gas or other gas flame-producing barbeque cooking grills or fire pits **MAY BE USED** as long as they are constantly attended, are in an enclosed device, and can be turned off.

**\*\* Note:** Under Stage II fire restrictions, any outdoor spark or flame producing activity, including welding, cutting, and grinding **shall require the following:**

- A Fire Department permit for a specific time period, location, and activity granting permission to conduct such activity in a safe manner.
- A fire watch: an individual with the sole purpose of watching for any sparks and/or ignition.
- Firefighting tool(s) such as a shovel.
- Approved water supply available from a hose, water truck, etc.
