

Mayor Goode Letter for December 1, 2022

During this time of year, our thoughts turn to all of wonders of Christmas and the holiday season. Prescott is Arizona's Christmas City. This was done by proclamation by Arizona Governor Rose Mofford in 1989. Prescott has proudly carried this title, and we have endeavored to live up to it ever since. A few years back Prescott was named one of the best City's in America to experience Christmas.

We invite you and your family to join us for the many events that take place between Thanksgiving weekend and New Year's Eve, including the Holiday Light Parade, the Christmas Parade, the Courthouse Lighting, Acker Night, and the Whiskey Row Boot Drop.

The Yavapai County Courthouse Plaza will be lit with thousands of festive lights every evening starting with the Courthouse Lighting ceremony on the Courthouse steps, on December 3rd including the reading of the biblical Christmas story, and traditional Christmas music. The lights will remain through mid-January for all to enjoy. New this year is the Prescott Christmas Village and "Christkindlmarket".

Also new this year, the City Tourism Office is offering a chance for folks who are color blind to experience the true colors of Christmas. They have made special color-blind glasses available at the Prescott Public Library, the Visitor Center at the Prescott Chamber, our three museums and two centers. They are free to borrow for individuals who are color blind. They even have children's glasses available.

All of this Christmas City splendor would not be possible without the Prescott Chamber of Commerce and Prescott Downtown Partnership. They are the event organizers, and they are supported by hundreds of volunteers giving thousands of hours, as well as sponsors and grants. This year's Christmas City festivities are sponsored by Friends of the Jersey Lilly Saloon, Desert Financial Credit Union, and the City Tourism Office. There are dozens of other companies and individuals who also support Arizona's Christmas City with donations and volunteer time.

I invite you to come out, stroll the plaza, and while you are there, support the many fine shops and establishments.
