Questions, Answers and Discussion from Pre-Proposal Meeting or via email

Question: What is the amount of experience that the City is looking for, how much information is the City looking for from a company.

Response: Per the Request the City would like the company to explain their experience with this type of product and installation, it could be at least two pages, but the city did not give a maximum or minimum number of pages.

Communication and Coordination will be very important during the installation process.
