

PUBLIC WORKS

# ROADWAY PROJECT

## FY23 Miscellaneous Concrete Repairs Phase 2

***NOVEMBER 1, 2023***

The primary scope of work includes the removal and replacement of concrete sidewalks, ramps, driveways, curb and gutter, and drainage scuppers at various locations throughout the City.

Work also includes brush and debris removal, drainage grading, catch basins, storm drainpipe removal and installation, water services, grouted riprap, guardrail, safety rail, asphalt paving, and the adjustment of water valve boxes, manhole frames, and covers.

Construction started October 16, 2023, and is scheduled to be completed by February 2024.

There are five (5) areas. Demolition and removals have been completed and installation of new improvements has started and is approximately 50% complete in Area 1. Area 2 is scheduled to start this month.
